Additional: Data entry, accurate typing, internet research, email communication, social media marketing

CORE STRENGTHS

Communication | Teamwork | Quick Learning | Time Management | Attention to Detail | Adaptability

EXPERIENCE

Frontend Development Intern | Internshala | 3 Months

- Completed a three-month internship focused on HTML, CSS, JavaScript, responsive layouts, and practical frontend development.

PROJECTS

LUXE LANE - Frontend Shopping Website | [Live Project](#) | [GitHub Repository](#)

- Built a responsive fashion shopping interface using HTML, CSS, and JavaScript with product browsing, search, category filters, cart, wishlist, dark mode, and authentication screens.
- Added automatic subtotal, 18% GST, and final order-total calculation for the shopping cart.

Currency Converter | [Live Project](#) | [GitHub Repository](#)

- Built a JavaScript currency converter supporting USD, INR, EUR, and GBP, with calculated results displayed to two decimal places.

Personal Portfolio Website | [Live Portfolio](#) | [GitHub Repository](#)

- Designed and developed a responsive HTML, CSS, and JavaScript portfolio with smooth scrolling, loading and reveal animations, project links, and a downloadable resume.
